On Track ! – Where the life of a committed Christian should be. Welcome to my new CD with my own unique mix of traditional and contemporary pieces of devotional music. But this sums me up. There is so much to be found by way of inspiration from 'older' sacred music as well as that being produced today – and secular pieces too can focus our minds on the limits and fragility of the human soul and the need to be in a relationship with God through Jesus Christ our Lord. I pray that this collection of songs will be a blessing to you as you listen.

I would like to order your CD priced at £10.50 each including postage and packaging.
