A few members absentee themselves too easily .this is unfair to the large ‘core’ of absolutely loyal members. If you are on the island on a Monday .then you are asked to be singing with all of us at St. Martin’s please!

A constant record of Choir Concerts, outings and progress is being maintained by Hazel Bell through a scrap book and photograph album. PLEASE pass on any items of Choir reports, photos, media comments etc. in order that she can log these for us to enjoy in the future.

If you overlook paying for any items of music or books (this does happen), an invoice may be forwarded to you to balance our books .please do not be offended by this .check this out if you wish in the library of music. If you are in any further doubt about monies owed or wish to give financial support toward the Choirs’ ministry, then drop a £1 or £2 into Ernie’s Money Box at Choir practices.
